

Welcome to Citrus United Soccer Club

Welcome Soccer Family!

Welcome to the 45th season of our Citrus United Youth Soccer Recreational Program! We are thrilled to welcome you and your child to the 45th season of our Youth Soccer Club! As we celebrate this milestone, we are filled with excitement and anticipation for another fantastic season of growth, fun, and soccer excellence.

Getting Started

As we gear up for the new season, please ensure your child has the necessary equipment, including appropriate soccer shoes, shin guards, and a water bottle for practices and games. Additionally, please review our code of conduct and club policies to ensure a positive experience for everyone involved. Your child will also need a soccer ball the appropriate size for their age group. They will need to bring a ball with them to practices.

First Kicks, U6, U8 – Size 3

U10, U12 – Size 4

U14 and Up – Size 5

Opening Day

We will be having our opening day ceremonies on October 26th 2024 at 9:00am. Your coach will be getting more information to you as it gets closer to the start of the season.

Our Commitment to Excellence

At our club, we strive to provide an enriching environment where every player can thrive. Our focus is on developing soccer skills, promoting physical fitness, and instilling values such as teamwork, respect, and sportsmanship. Please read the code of conduct and

discuss it with your child. We hope that this will help everyone have an enjoyable soccer season and keep things running smoothly.

Communication and Updates

To ensure you are always informed, we will provide regular updates on schedules, events, and important information via email, GroupMe, Facebook and our club's website. Please don't hesitate to reach out to any of our board members if you have any questions or concerns.

Practices

Practices will begin the end of September/1st week of October depending on your coaches preferences and your child's age group. First Kicks will NOT have practices. Your coach will contact you to schedule practices with your team. U6 and U8 will have no more than once a week practices, all other age groups will have no more than twice a week practices.

Games

All games are played on Saturday unless there is a need for a Sunday or weekday game, but this will be a rare occurrence.

U10 and up will travel for some games to Citrus, Hernando, Beverly Hills and/or Pasco Counties.

Game schedules will be posted by the middle of October on our website CitrusUnited.com and Facebook.

Registration Fee and Sponsorships

Your registration fee covers many items that the club needs to put on a successful and enjoyable season for you and your child. The fee covers your child's Florida Youth Soccer Association fee, player insurance, uniform (jersey, shorts and socks), team equipment (game balls, cones etc.) end of the season tournament fees and coaches background checks.

We are always looking for team sponsors to help us provide the absolute best experience for you and your child's soccer season. Please contact us for more information.

Volunteers

We are lucky to have a great group of volunteers this season to help our club run smoothly. If you are interested in volunteering, please consider being a team parent for your team. Please let your coach know if you are interested, the team parent is responsible for helping

communicate schedules and schedule changes to other parents, relaying an information about special events going on throughout the season (photo day, coaches game, etc) through the GroupMe app. We are also always looking for volunteers for the concession stand.
